Compact 3-in-1 wireless inkjet printer

The compact but powerful DCP-J1100DW provides print, copy & scan functionality. Additionally, it offers wireless connectivity, mobile compatibility and automatic document feeding, making it a great addition to offices with limited space, but unlimited ambitions.

DCP-J1100DW

Key Features:

- **In box inks:** BK: 6000 pages. C/M/Y: 5000 pages
- **Wireless connectivity**
- **Mobile compatible**
- **20 sheet automatic document feeder**
- **Automatic 2-sided printing**
- **Enclosed paper tray holding up to 150 sheets**
- **Prints up to 12 images per minute**
- **6.8cm LCD touchscreen**

3 years' worth of ink in the box*

As with other Brother inkjet printers, you will receive 4 in-box ink cartridges. However, with the DCP-J1100DW's high yield in-box inks (black, cyan, magenta & yellow) you can print up to 7,200 pages, meaning you won't need to buy new ink for the first 3 years of ownership. Not only that, our machines come with a 3 year warranty for complete peace of mind.

Connect your business quickly and easily

Not only does the DCP-J1100DW look great, it offers a range of connectivity options to make printing as straightforward as possible. Wireless connection allows for simple set-up and ability to share easily across multiple users/devices and with mobile compatibility, printing on-the-go has never been easier.

Environmentally-friendly and simple to use

The DCP-J1100DW helps you do your bit for the environment with automatic double sided printing – not to mention saving paper and therefore money. Additionally, with the 20-sheet automatic document feeder you can load your document and leave it to copy or scan while you complete other tasks around the office.

*Print yield is based on average monthly print volumes of approximately 200 pages at 60% black pages / 40% colour pages in accordance with ISO/IEC 24711 using 4 cartridges provided in-box.
